FREE UPS, Fedex, USPS Pickups and Delivery.		
Our turn Around time will be between 24-48 Hours.		
READ CAREFULLY:		
1	To setup account: Your store name Email address (for invoices)	
2	Please use below Format to send shipments	
3	Please refrain from extra communication to save your and our teams time. For example, asking for package delivery. Always check with tracking number provided by Supplier to track your package. such communication will only delay our process.	
4	Once your order is received and we have updated you, then you can provide us FNSKU labels and instructions for prep.	
5	FNSKU should only be in 58x33 thermal label format. We request that you Rename FNSKU labels as ("Product Name" "ASIN" "Quantity")	
6	Please Allow 24-48 hours to complete prep/labeling. We will update you with box dimensions and weight once prep/labeling is completed. Please avoid asking for updates before 24 hours.	
7	Storage will not be charged if delay is from our team	
8	We make boxes according to Amazon requirements (max 50 Lbs. And less than 24 inches on each side). We will try to use supplier box if possible. If not, we will use our own box for shipping (Box Cost are in the list).	
9	Expiration date requests must be made when providing FNSKU. Also request to make one box per item must be made when providing FNSKU. There will be a delay in process (May be extra charges) if our team has to open prepared box to check expiry date or to change boxes per SKU.	
10	Once box dimensions are provided, you can provide us shipping labels. Shipping labels should only be in 4x6 Thermal Format.	
11	Shipping address is same as receiving address and UPS picks up daily from our warehouse at 5pm. (CST)	
12	Once shipping labels are provided, our team will update you with "done". This means it will go out today. Please avoid asking if your package was shipped. You can check UPS tracking following day for tracking update.	
13	Other charges: If no service is requested, box forwarding/handling charges will apply. \$2 for expiry date per product, if not asked before prepping.	
14	Invoice for our services is billed once a month on the first week of next month. You will get it on the email provided above.	

INSTRUCTIONS:

In FBM We receive your inventory, prepare it, and drop it off. However, counting the inventory and working on your sheets is your responsibility its not our task. You will keep the record of your inventory. When you notice your inventory is running low, you can message us for confirmation.Thanks

Kindly Acknowledge

We kindly request that when you ordering inventory, please use your group name or the contact person's name we have on file. This really helps us keep track of your order. If we don't receive the order under the correct name, we might not be able to find it, and it could be disposed of within 1-2 business days. We appreciate your help in following this procedure.

All clients send their labels merged if you guys don't send your labels merged then the work will be delayed then we will not be responsible.And plz use ur own address.
